November 27, 2019

Dear Municipality/Hauler:

Please be advised that as a result of the sudden closing of the New Jersey Sports and Exposition Authority’s Keegan Landfill, the HCIA has re-architected the contract for the processing, transportation, and disposal of all Hudson County-generated Waste Types 13, 13C, 23 and 27 and has awarded a contract to Waste Management of New Jersey (WM). Attached you will find updated Waste Flow Directives for all Hudson County-generated waste.

Effective December 1, 2019, Types 13, 13C, 23 and 27 waste should be delivered to any of three Waste Management Transfer Stations: Julia Street Transfer Station, Elizabeth; Front Street Transfer Station, Elizabeth; or Fairview Transfer Station, Fairview.

Attached please find an Application to open an account with WM. If you wish to utilize more than one facility, you will be required to open a separate account for each transfer station and keep the requisite deposit for each account.

For your convenience, driving directions to each of the facilities is attached.

The tipping fee for the balance of 2019 remains at $101.49 per ton plus $3.00 per ton for the New Jersey State mandated Recycling Enhancement Act (REA) surcharge.

Please be advised that due to contractual increases for solid waste disposal services, the tip fee charged for waste generated within Hudson County will increase 2% effective January 1, 2020 to $103.52 per ton plus $3.00 per ton for the New Jersey State mandated Recycling Enhancement Act (REA) surcharge.

If I can provide any further information regarding this, or any other Authority matter, please do not hesitate to contact me.

Very truly yours,

Norman M. Guerra

NOTICE –
UPDATED WASTE FLOW DIRECTIVES

TO: ALL MUNICIPALITIES, SOLID WASTE HAULERS AND MATERIAL RECOVERY FACILITIES

Please be advised that due to the closing of NJSEA’s Keegan Landfill, the HCIA has re-procured Hudson County’s Solid Waste Disposal Contract for Waste Types 13, 13C, 23 and 27. **Effective December 1, 2019,** all solid waste generated in Hudson County is directed as follows:

I. **Waste Types 10 and 25 Municipal and Commercial Generated Solid Waste**

All Solid Waste Types 10 and 25 generated within County of Hudson are directed to the **DART Transfer Station** located at 540 Doremus Avenue in Newark, New Jersey for processing, transport and disposal. The hours of operation for Hudson County-generated waste will be round the clock from Sunday 10:00 PM through Saturday 3:00 PM. Holidays: close at 12:00 PM and re-open at 10:00 PM.

II. **Waste Types 13, 13C, 23 and 27**

Solid Waste Types 13, 13C, 23 and 27 generated within the County of Hudson is directed to any of these 3 Waste Management Transfer Stations for processing, transport and disposal:
1) **Julia Street Transfer Station** located at 864 Julia Street in Elizabeth, New Jersey. Hours of operation: 24/6 – Monday 12:00 AM through Saturday 11:59 PM.

2) **Front Street Transfer Station** located at 640 Amboy Avenue in Elizabeth, New Jersey. Hours of operation: Monday – Friday 6:00 AM – 4:00 PM & Saturday 6:00 AM – 12:00 PM.

3) **Fairview Transfer Station** located at 61 Broad Avenue in Fairview, New Jersey. Hours of operation: 24/6 – Monday 12:00 AM through Saturday 11:59 PM.

Waste Management of New Jersey requires all haulers to maintain a minimum escrow balance at all times. For more information, please contact njtransf@wm.com.

### III. Material Recovery Facilities

Generators and/or transporters of Solid Waste Types 13, 13C, 23 and 27 have the option to deliver waste to a NJDEP-approved material recovery facility (MRF) providing:

1) Such MRF has been included in the Hudson County District Solid Waste Management Plan (HCDSWMP); and

2) Such generator and/or transporter shall immediately notify the HCIA, in writing, of the name and location of the MRF to which such solid waste shall be delivered; and

3) All residue wherefrom shall be delivered within thirty (30) days from the date of delivery to such a MRF to the Hudson County Solid Waste System for disposal.

If you have any questions about the HCIA’s contracted facilities or the MRFs included in the HCDSWMP, please call Mary-Ellen Gilpin, Director – Environmental Programs, at 201-324-6222, extension 3210.

**As in the past, the HCIA intends to vigorously enforce the above requirements.**
